Dated Dispur, the 21st February, 2017.

No.CTS-63/2015/77 - The petitioner Bhaba Kanta Nath, Kahilipara Road, Guwahati, Kamrup, Assam filed a petition seeking clarification whether the process of de-silting and maintenance of natural rivers/channels through engagement of manual labourers and machines only and not involving any transfer of property in goods is eligible to tax and whether tax is deductible under the Assam Value Added Tax Act bearing GRN Nos.18440052671.

The facts as stated by the Authorized Representative of the petitioner, Sri Amit Jain, are that the matter relates only to de-silting and maintenance of natural rivers/channels through engagement of manual labourers. There is no transfer of property in goods. The works contract is entirely labour oriented.

Perused the petitioner's prayer and also the work order submitted. The dealer even submitted a clarification vide nos.GIE D/A/120/Pt-111/41 dated 30/12/2016 given by the Executive Engineer, Ghy East W.R Division, Ghy-08 which states that order nos CE/CC/WR/WO/2014-15/361/Pt/44 dated 12.01.2015 and order nos CE/CC/WR/WO/2014-15/361/Pt/43 dated 12.01.15 issued to Mr. Bhaba Kanta Nath do not involve any transfer of property in goods and is solely a order involving execution of works through manual labourers and machineries. The cost of Pol mentioned in the order means the use of Petrol, Oil and Lubricant for the execution of works.

From perusal of the work order and the clarification given, it is clear that the petitioners work contract is labour oriented. There is no transfer of property in goods. Therefore the petitioner is not liable to pay tax for this particular works contract under the Assam Value Added Tax Act, 2003.

With the above observation, the petitioner's prayer is disposed off with the clarification that he is not liable to pay tax for this particular works contract under the Assam Value Added Tax Act, 2003.
